

Ernest J. Gaines 2015 Summer Teaching Institute

Joe Sanford Pelican Pictures

June 8-June 12, 2015 from 8:00-12:00

The institute will provide area educators with the opportunity to explore, research, and discuss works by Ernest J. Gaines while focusing on how to implement the information garnered from the institute in their own classrooms. Featured scholars include Dr. Marcia Gaudet and Dr. Darrell Bourque. During the institute, center staff Dr. Matthew Teutsch and Jennifer Morrison will provide insight and information about Gaines' work and the materials housed within the center.

The institute will be limited to 10 participants. Each participant will receive a \$200 stipend and a certificate showing their participation for professional development purposes

For more information contact Dr. Matthew Teutsch, Interim Director of the Ernest J Gaines Center
